LMCC Newsletter
February 2012

New for 2012

SACU have decided to bring back 'One Day Licences' for Closed to Club events and National events, they will not be available at SACU Championship events, as a full licence is required for this.

The fee for a 'one event licence' is £10.00 payable to event secretary on the day. This money is sent to the SACU along with the Club's insurances for each event. The fee does not go towards a full licence as before, so as long as you are a Club member prior to the event you can have as many one day licences as required.

The only stipulation is that you must have proof of identity with you, as required on the form, either, current driving licence / valid credit card / passport / and current Club membership card.

New Date for 2012

It has been agreed that we run a National Charity Trial, to raise funds for MacMillan Cancer, with all proceeds going to the Strathcarron Hospice. This will be a National Restricted Trial open to all, run at Fintry, Todholes Farm, on March 18th 2012.

Please Put This Date In Your Diary NOW !!

There will be a raffle, camping available on the Saturday evening, with sections to suit all, come and have a great time and help raise money for a very good cause.

ALL PROCEEDS GO TO CHARITY

Bikes for Sale
