Thanks to our Landowner, Clerk of the Course Bill Stewart, all his helpers, before, during and after the trial, many hands make light work.

For once the weather was kind to us, quite a rare occasion at Bathgate.

There was also a few 'well known faces' turned up, a blast from the past.

There were quite a few retirals, majority mainly due to bike problems not the course,

There were a few youngsters, who just wanted to 'try' with help and supervision from an adult.

Our next Trial is May the 20th Galashiels, Open to Scotland 11.00 start regs on the web site

Thanks again to all.
