Thank you to all who helped or assisted with this event. Fantastic weather for our first trial of the year, sun shone all day, welcome to some new members and some 'old' members coming back. I just love this venue, I have a office, heated, hot water on tap, toilets, parking space, what more could I ask for,

A very special thank you to all above

I apologise if I have missed anyone.

Thanks also to Clerk of the Course and his Assistant for all their help with the running of this event.

Stuart Rockett Ian Buckner

Lastly Thank You very much to the Landowner, Mr Girvan, without his permission to use the ground there would be trial.

Hope you all enjoyed your day, the weather was just right, see you all again.

PS. Found one navy Ben Sherman jumper, size medium, left at section 5, has been washed and is ready for collection, if the owner would like to contact me,

All ties for Trophies and positions 23 and 43 are resolved in accordance with Standing Regulations TSR 25.

All other ties up to position 42 are provisional pending the issue of the Final Results.

The Edinburgh and District Motor Club Ltd and the Organising Committee wish to thank all the people who have assisted or contributed to the running of the trial. Your help is greatly appreciated. Many thanks also to all the riders for such tremendous support. To all those riders who were unsuccessful in the ballot for entries this year, better luck next time. We hope everyone enjoyed the trial and trust we will see you all again next year. Till then, Lang may yer lum reek and Haud Forrit.

Unfortunately the large number of unauthorised bikes on the route has caused the landowners to request that this must not continue.

THIS WILL JEOPARDISE THE FUTURE OF THE TRIAL.

Report Pre '65 2 Day Trial

This year the Pre 65 contrasted starkly with last years in the weather department, almost perfect, just to cold for the spectators, perfect for riding. Having a fairly late number gave me an opportunity to see most riders off and catch up with friends. Being an odd number, I turned left out of the ALCAN car park and headed for the first groups just off the road at Cnoc a Linnhe and Pollock Hill. It always takes a few sections to get into the groove and relax and by Loch Eilde Burn I felt vaguely in control. Most of Friday's 25 miles were tracks like the Mamore Road leading to rough moor, which was where I found a deep ditch quickly followed by a face plant. The helmet peak took most of the force; the rest was "dissipated" through my elbows and side. A few miles further on I came across a Spanish competitor who had snapped his primary chain, wonder if he is still up there?

Each day had a trip up Pipeline, which was quite grippy for a change. Very pleased to escape just dropping one at the top. As I was camping at Blackwater Hostel, I had first hand experience of the overnight rain, which fortunately stopped in the morning. Saturday's route again was 25 miles starting with a climb up to the Mamore Road, with groups of sections such as Stob Coire Eirghe and Sleubhaich. As the field is split for the second day this meant I was riding towards the front of the entry, cleaning the sections for later riders! The climb to Callert Pass took a bit of energy, as did the steep and slippery decent. Back onto the road heading back towards Kinlochleven and another go at Pipeline. Then back towards Glencoe for the last few groups. The sections consist of rocks and more rocks, something I have always enjoyed, as did the 2 riders I went round with. Surprisingly enough after some 50 miles and 60 sections we had all dropped almost exactly the same marks. The bike ran perfectly on both days, and again I managed to escape without a dreaded puncture.

I'm now looking forward to the Highland Two Day, mid June, Alvie, as well as Club trials through out the year. It would be great to see more Pre 65 bikes getting an airing ! what are you waiting for ?

Bob MacGregor Trials Academy

Designed for new and experienced trials riders of all ages

This new venture is to give new and experienced youth and adult trials riders, from communities throughout Scotland, access to a chance of excellence and practice facility, a first class technical centre, giving them full opportunities for the proper introduction and development in these trial sports and for the benefit of current trials riders in Scotland.

It is a safe and legal place to practice and with the right calibre of sections to practice on for any level of rider, to allow each rider to develop his or her own riding skills, regardless of their age.

There are 10 different types of membership available to suit each member's budget and situation. Every penny of income will be reinvested back into the Academy by the Trust. We have a 5 year development plan – we are currently in talks with the local Councils and the Lottery. They have promised to back us 100%. We will be organising regular coaching sessions whatever your riding level, from beginner right up to expert, with local coaches and top UK riders coming up when available.

There will even be trials bike maintenance courses, this is all backed by the SACU.

We are looking for any donations, whether small or large – anything would be appreciated, and would be invested into the Academy's facilities.

Please visit our web site at www.trialsacademy.com
