

I nearly went to a Trial to-day, but couldn't find the time.  
So much to do about the house, to leave would be a crime.  
So I hovered, dusted, polished, and then went early to bed.  
But I made a resolution, to go next time instead.

I nearly went to a Trial to-day, but some old friends popped in.  
For them to get a closed door, would have been a great sin.  
So we drank coffee and gossiped, until goodbyes were said.  
But I made a resolution, to go next time instead.

Nearly made it to a Trial to-day, but my favourite programme was on  
By the time it ended, the Trial was all over and gone.  
So I sat before the telly, until the set went dead  
But made a resolution, definitely go next time instead.

I nearly went to a Trial to-day, but woke up with a sore head,  
Looked out and saw the weather, so just went back to bed.  
Good job the Club organisers, did not go back to their bed,  
But got on their bikes, and laid out the trial instead.

I almost went to the Trial to-day, but the venue was not the best,  
So I just stayed at home, leaving all the hard work to the rest,

Very nearly went to a Trial to-day, but a long long way to travel,  
So stayed at home all alone, and played a game of scrabble,

I should have been at the Trial to-day, it was my turn to do Rule 9,  
But it doesn't really matter, I can just go along another time

I actually went to the Trial to-day, just to have a peak,  
Got it all very wrong, I should have been there last week !!

Does all this sound familiar,
